

Thank you so much for joining me for our Jacques Pépin Foundation (JPF) 90/90 Home Celebration. I'm so grateful you joined us – your presence made the evening incredibly special.

What we shared was more than a beautiful [and delicious!] meal. It was a moment to gather around the table in support of something bigger: the transformative power of culinary education to change lives, build confidence, and open doors.

Our celebration was just one of many 90/90 Home Celebrations happening across the country – each one different in size and style, but all united by a single purpose: to help create more opportunities for people to thrive through cooking.

Whether you gave a gift, became a JPF member, or simply showed up with enthusiasm - thank you. You are now part of a growing movement to support individuals pursuing meaningful careers in food and hospitality – and to inspire more people to experience the joy and dignity of cooking.

As we honor Jacques Pépin's 90th birthday, I'm proud to be part of this collective effort – and thankful to have shared it with you.
